WILLARD N. JAMES

### Group Leaders

Each year Executive Council chooses a group of girls to carry out an orientation program for new students. These girls maintain the standards of Hollins life not only for the new members of the student body but for the old students as well. Prior to the opening of school each group leader corresponds with and welcomes the new students to Hollins. In a series of meetings, she interprets for them the regulations, traditions, and above all, the spirit of Hollins.

## Freya

Freya is an organization which exists, not as an end in itself, not simply for the recognition of achievement, however great, but for the perpetuation of the principles of creative living which constitute the beautiful and the abiding qualities of Hollins life. Freya seeks to do this by recognizing as members those students who have shown by their own way of life a real understanding of the permanent, on-going values of Hollins. These girls have in some way, out of their love for the college and devotion to its values, contributed to its life in the fields of scholarship, leadership, and creativity.
